

## IMPORTANT MESSAGE FROM L'ARCHE GREATER VANCOUVER

In light of the COVID-19 pandemic, L'Arche Greater Vancouver has made the decision to take extraordinary caution and care in an effort to keep everyone safe and healthy. Effective immediately, we are suspending all gatherings until further notice. This includes our Wednesday Community Prayer at 5:00 PM, our Bible Study, our Friday night Connections evenings, and Assistant meetings. We will be monitoring the situation very closely and will keep you posted if more changes and precautions need to be put in place.

Due to the fragility of some of our members, we are not able to welcome visitors at this time. Thank you for your understanding. However, we welcome phone calls and emails as a way to stay in touch!

Even though we are not able to be together on Wednesdays for our community prayer, or with our usual church families on Sunday mornings, we will observe a sacred hour of prayer and reflection in our homes so that we can be together in spirit during those times. We invite you to join us "virtually" for these sacred hours wherever you are on Wednesdays at 5:00 PM and Sundays at 11:00 AM.

In gratitude to all our friends and supporters, we remain united with you in this unusual and challenging time which is urging all of us to care tenderly for one another.
