

New Community Leader/Executive Director for L'Arche Greater Vancouver

July 2021

Dear Friend of L'Arche,

We are very happy to announce that Tracey Brezovski has accepted the role of Community Leader/Executive Director for L'Arche Greater Vancouver for the next mandate, July 2021-July 2025.

Tracey brings with her an extensive and diverse experience in the non-profit sector along with a Master of Arts in Leadership from Royal Roads University.

She is delighted to have found an organization whose identity also resonates with her own transformational servant leadership style and allows her to bring forward her passion for engagement, and collaboration along with advocacy and inclusion.

In Tracey's words: *"I am excited about the many possibilities and to being a part of a community whose values and beliefs align with my own. I look forward to learning, sharing, growing and to leveraging each other's strengths to achieve the goals of the community, and all stakeholders".*

Tracey begins on July 5th with a time of orientation and assumes the full role at the end of the month. We are grateful to Tracey for her "yes" and together with the community, the Board, and the Region are committed to support her in this time of transition and renewal.

As announced in April, Denise Haskett, who served the maximum term of three mandates in the role of Community Leader/Executive Director, assumes a new interim role beginning in August in order to ensure continuity of leadership for our capital campaign and our redevelopment project.

The L'Arche Greater Vancouver community is grateful to Denise for carrying the role of Community Leader/Executive Director for 14 years and for taking the community to where we are at today. Denise's new interim role will be Senior Director of the L'Arche Foundation of Greater Vancouver and Housing Society to see our redevelopment project through to completion.

Thank you for your prayers and your support as this new chapter in L'Arche Greater Vancouver unfolds.

With gratitude,

Jim Lattimer, President - L'Arche Greater Vancouver Board
Christine Monier, Western Regional Leader - L'Arche Canada
